

# Drug health services open at Mount DrUITt Hospital in September

From Monday 4 September, Centre for Addiction Medicine (CAM) services currently located at Mount DrUITt shops will start to move to our new centre at Mount DrUITt Hospital.

The new centre is located on Railway Street, Mount DrUITt, and includes:

- ▶ Waiting area
- ▶ Treatment room
- ▶ Counselling and consultation rooms
- ▶ Group room
- ▶ Secure play area
- ▶ With the same great team and high quality services.

Opening dates:

- Opioid Treatment Program (OTP) opens at Mount DrUITt Hospital on Monday 4 September.
- Drug Court/MERIT program and other CAM services will open late September at Mount DrUITt Hospital.

We look forward to welcoming you to the new centre soon.

Above, views of the new centre. CAM is part of the BMDH Project Mount DrUITt Hospital Expansion Stage 2 which includes new facilities for operating theatres, renal dialysis, drug health and a new MRI service.
