

## Welcome to B2Hub

B2Hub is an activity-based workspace and it's a little different to standard office areas. Please take a minute to familiarise yourself with how we work.

**There is no reception desk.  
Please phone your B2Hub contact or  
meeting contact when you arrive.**

**There are no assigned desks. If you need  
to give something to someone, please  
call them to find out where they are.**

**There are quiet and active zones. In  
quiet zones, keep noise to whisper  
level.**

**Do not interrupt staff in the quiet zone or  
Do Not Disturb Rooms. Text them if you  
need to speak to them.**
