

A Becomes C: Ward name changes mid February 2019

Our new Acute Services Building will be called Building A, so to get ready for the changes, wards which currently start with an A will change to C, for Clinical Services Building.

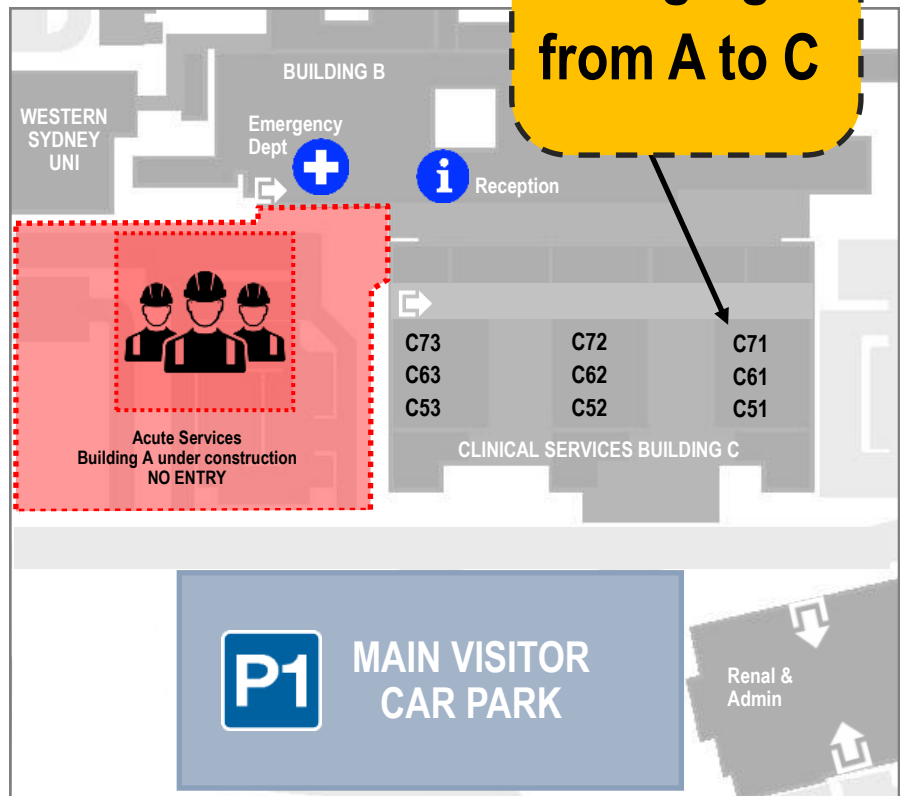

New wards names will be:

- C51 Aged Care
- C61 Cardiology
- C71 Oncology/Haematology

No change to phone numbers.

Thanks for your patience. Please speak to the ward staff if you have any questions.
